Hi Suzanne:

I have attached EPA's draft transmittal letter, enforcement case reviews, and comments on the end of year report for your review. These documents reflect EPA's FY20 enforcement review only. The work plan tab in the report has been filtered to show only enforcement items, identified in Column F as either "OECA" or "OPP & OECA." Please let me know if you have any comments by **Wednesday, February 3<sup>rd</sup>**.

As I mentioned in my voicemail, we've provided comments on the workplan as is to keep this moving. If you have information to include in the missing accomplishments or any changes to make, please do so. Otherwise, we'll route the workplan as is for final signature next week.

Please let me know if you have any questions. I know you've got a lot going on at the moment, so thank you for all your hard work on these.

Thanks,

Claudia Niess
